Assistant Vice President, Enterprise
Systems & Applications,
Construction and Development
Delivery Services Office,
Metropolitan Transportation
Authority – NY (NYMTA)

**How do we meet the
increasing demands of
transportation?**

**How do we not just
keep up, but lead?**

Gun Hill Road Station

3 Key Takeaways

Digital

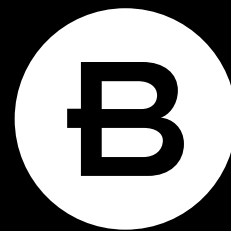

Can't do business the same old way. We have a new way of doing business

Managing Risks

Using data to manage risks on projects and using data across lifecycle to improve infrastructure resilience.

Proactive vs. Reactive

Adding economic and societal value instead of reacting to emergencies.
